

LegalEase: AI-Powered Legal Document Generator

Phase 1: Brainstorming & Ideation | Team ID: SWTID-2026-6449

Define Problem Statements

Team ID	SWTID-2026-6449
Team Leader	M Mohammed Abdul Rahman
Team Members	Lingaraj S, Deepan, Sakthi
I am	A small-business owner or individual who needs legal documents
I'm trying to	Draft rental agreements, NDAs, affidavits, and contracts quickly
But	Lawyers are costly and generic templates are confusing
Because	Legal language is complex and drafting is time-consuming
Which makes me feel	Confused, anxious about errors, dependent on others

Empathy Map

Quadrant	Details
Says	"Legal drafting is too expensive and hard to understand"
Thinks	"Will this document hold up legally?"
Does	Searches online templates, asks lawyers or friends
Feels	Overwhelmed, worried about mistakes
Pain	Cost, jargon, delays, errors
Gain	Instant, accurate, affordable, plain-language documents

Brainstorming & Idea Prioritization

Idea	Description	Impact (1-5)	Effort (1-5)	Priority	Proposed By
Template-based generator	Fill a form, get a document	4	2	High	M Mohammed Abdul Rahman
GenAI clause drafting	LLM writes custom clauses	5	3	High	Lingaraj S
Plain-language explainer	Simplifies legal terms	4	3	Medium	Deepan

Multi-language support	Regional languages	3	4	Low	Sakthi
